Public Speaking and Event Hosting Experience

- Elocution Competitions:** Bagged prizes in English elocution competitions during Independence Day celebrations and secured the second prize in political parties' elocution contests, completing all district-level rounds and winning several cash prizes.
- Department Symposium:** Hosted the entire department symposium, demonstrating leadership and event management skills.
- Technical Quiz Event:** Successfully hosted a technical quiz event for a large audience, showcasing my ability to engage with participants and manage technical content.
- College Day MC:** Served as an off-stage MC in Tamil for College Day, enhancing my bilingual hosting abilities.
- Fresher's Day Event:** Hosted the comparing event during Fresher's Day, creating a welcoming environment for new students.
- Club Event Coordinator:** Coordinated various club events, including serving as the lead host for a Youth Red Cross (YRC) club event.
- Patti Mandram Speaker:** Participated as a speaker in college *Patti Mandram* events, honing my debate and persuasive speaking skills.
- On-the-Spot Speaking:** Consistently won prizes in spontaneous speaking competitions, reflecting my quick thinking and adaptability.

Teaching and Training Experience

- Student Trainer:** Taught several classes for first-year students, making complex topics engaging and accessible.
- Night Skill Sessions:** Conducted skill development sessions for second-year students on web development, covering topics like website design and development.

Conferences and Presentations

- AICTE Tamil Conference:** Participated in an AICTE Tamil conference, contributing to academic discussions in my native language.

EDUCATION

| Sri Jayendra Saraswathi Swamigal Golden Jubilee Mat Hr Sec School,
Tirunelveli

During my schooling, I had a strong desire to be on stage, but opportunities were limited. Despite this, I continuously worked on improving my communication and speaking skills. My perseverance during those years laid the foundation for my passion for public speaking and event hosting, which I have since developed through various competitions and events in my academic career.

B.TECH.Information Technology | Francis Xavier Engineering College,
Tirunelveli

2022 - Pursuing

Throughout my college years, I actively participated in numerous paper presentations, projects, and events, which helped sharpen my technical and communication skills. I hosted and coordinated various events, gaining valuable experience in leadership, event management, and public speaking. These opportunities have allowed me to build a well-rounded skill set that I continue to develop, both academically and professionally.

Student Mobility Program | Mahsa University, Selangor, Malaysia

Apr 2024 - May 2024

Participated in a comprehensive international student mobility program at Mahsa University, Malaysia, where I engaged in diverse learning experiences, including sessions on Generative AI, 3D modeling, and Arduino projects. Additionally, I contributed to team activities and cultural exchanges, culminating in securing 2nd prize in a presentation contest. This program enhanced my technical, entrepreneurial, and cross-cultural communication skills, marking a significant milestone in my academic journey.

INTERNSHIPS

**EvalBench Technologies private limited - Intern | Consultant,
Thoothukudi**

Jun 2024 - Jul 2024

Completed an internship at Evalbench, where I gained hands-on experience in evaluating and benchmarking various software tools and applications. Worked closely with the development team to analyze system performance, contribute to test case creation, and generate comprehensive reports. This role helped me enhance my technical skills, problem-solving abilities, and attention to detail, while gaining valuable industry insights.

HOBBIES

Hobbies

I enjoy listening to a wide range of music, which fuels my passion for communication and creative expression. My unwavering interest in becoming a radio jockey (RJ) stems from this love for music and my desire to connect with audiences through engaging conversations.
